

BRIDGERLAND

TECHNICAL COLLEGE

The mission of the Bridgerland Technical College is to deliver competency-based, employer-guided career and technical education to both secondary and post-secondary students through traditional and technology-enhanced methodologies. This hands-on technical education provides occupational education, skills training, and workforce development to support the educational and economic development of the Bear River Region.

Eligibility Criteria/Referral Process

Students who are 16 years old with a career and/or technical objective are eligible to enroll; however, some courses may have additional age or industry-related requirements. Most programs will operate on an open-entry/open-exit basis and most secondary courses will operate on an open-entry basis. This means students may enroll at any time during the year, on a space-available basis.

1. Have a high school diploma or recognized equivalent (e.g. GED®)

2. Select program
3. Complete admissions form and program pre-enrollment requirements

Bridgerland offers a wide range of financial aid:
